§ 230.403 Requirements as to paper, printing, language and pagination.

(a) Registration statements, applications and reports shall be filed on good quality, unglazed, white paper no larger than 8½ x 11 inches in size, insofar as practicable. (b) The registration statement and, insofar as practicable, all papers and documents filed as a part thereof shall be printed, lithographed, mimeographed or typewritten. However, the statement or any portion thereof may be prepared by any similar process which, in the opinion of the Commission, produces copies suitable for a permanent record. Irrespective of the process used, all copies of any such material shall be clear, easily readable and suitable for repeated photocopying. Debits in credit categories and credits in debit categories shall be designated so as to be clearly distinguishable as such on photocopies.

(c) The registration statement proper shall be in the English language. If any exhibit or other paper or document filed as part of the registration statement is in a foreign language, it shall be accompanied by a summary, version or translation in the English language.

(d) The manually signed original (or in the case of duplicate originals, one duplicate original) of all registrations, applications, statements, reports or other documents filed under the Act shall be numbered sequentially (in addition to any internal numbering which otherwise may be present) by handwritten, typed, printed or other

legible form of notation from the first page of the document through the last page of that document and any exhibits or attachments thereto. Further, the total number of pages contained in a numbered original shall be set forth on the first page of the document.

§ 230.404 Preparation of registration statement.

(a) A registration statement shall consist of the facing sheet of the applicable form; a prospectus containing the information called for by Part I of such form; the information, list of exhibits, undertakings and signatures required to be set forth in Part II of such form; financial statements and schedules; exhibits; any other information or documents filed as part of the registration statement; and all documents or information incorporated by reference in the foregoing (whether or not required to be filed).

(b) All general instructions, instructions to items of the form, and instructions as to financial statements, exhibits, or prospectuses are to be omitted from the registration statement in all cases.

(c) The prospectus shall contain the information called for by all of the items of Part I of the applicable form, except that unless otherwise specified, no reference need be made to inapplicable items, and negative answers to any item in Part I may be omitted. A copy of the prospectus may be filed as a part of the registration statement in lieu of furnishing the information in item-and-answer form. Wherever a copy of the prospectus is filed in lieu of

information in item-and-answer form, the text of the items of the form is to be omitted from the registration statement, as well as from the prospectus, except to the extent provided in paragraph (d) of this rule.

(d) Where any items of a form call for information not required to be included in the prospectus, generally Part II of such form, the text of such items, including the numbers and captions thereof, together with the answers thereto shall be filed with the prospectus under cover of the facing sheet of the form as a part of the registration statement. However, the text of such items may be omitted provided the answers are so prepared as to indicate the coverage of the item without the necessity of reference to the text of the item. If any such item is inapplicable, or the answer thereto is in the negative, a statement to that effect shall be made. Any financial statements not required to be included in the prospectus shall also be filed as a part of the registration statement proper, unless incorporated by reference pursuant to Rule 411 (§ 230.411).
